PARK VET GROUP ENVIRONMENTAL POLICY

Park Vet Group, part of Linnaeus Veterinary Limited offers a range of high-quality veterinary services for companion animals via a 4-site Primary Care and mid-tier referral practice based across Leicestershire.

At Park Vet Group, our team works hard to provide a friendly, knowledgeable support to pet owners, while maintaining the very highest of patient care and client service

We acknowledge that our operations have an impact on the environment and have identified key areas that contribute to our environmental and carbon footprint.

- Consumption of electricity, gas, water and other fuels
- The use of anaesthetic gases
- Waste generation
- Transport emissions
- Use of raw materials, including materials and medicines
- Procured goods and services with their own environmental impact

Park Vet Group are committed to reducing their environmental impact through a journey of continual improvement by working through the Investors in the Environment (iE) accreditation scheme.

Our environmental commitment can be demonstrated in our established objectives and goals below:

- Compliance with all applicable environmental regulations and public/client expectations
- Monitoring our key resource usage and implementing conservation techniques to achieve our environmental targets
- Implement a waste/recycling policy and sustainable procurement policy
- Minimising unsustainable transport use
- Take part in one health sustainability project with our associates
- Working with suppliers to ensure the acknowledge and decrease environmental impact of their products and transportation

We will continue to improve our environmental management system by working to the Investors in the Environment (iE) criteria, considering any changes in legislation, our organisation, and other factors. We will convey this policy to all our employees ensuring that they are provided with training to increase awareness of the environmental matters.

Mel Groves is our Sustainability Lead and has designated responsibility for the day-to-day implementation of this policy.

Park Vet Group will make this policy available when requested to interested parties, including members of the public, and making a copy available on the group website.
