Park Healthy Pets Club

THE PARK HEALTHY PETS CLUB is designed to give your dog and cat the best preventative health care available. Monthly payments spread the cost, allowing you to budget for your pet's needs throughout the year. Each of the three options includes your pet's routine annual vaccination, 'One Free' veterinary consultation per year and many other savings on essential services and products.

Not all clients and pets require the same benefits. You can select the option which best suits you.
